# cheQdin

Hello,

I came across Cheqdin, a powerful, easy to use software solution for childcare providers and thought you would find value in learning more about it.
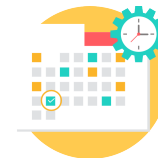

## What Cheqdin has to offer for Childcare settings?

**Digital Attendance**

**Photos & Videos Sharing**

**Intelligent Ad-Hoc Bookings System**

**Daily Diaries & Reports**

**Instant Messenger & Chat**

**Staff Clock in-out**

**Children's Register**

**Email & App Notifications**

There's much more! Visit Cheqdin's website today and grab your 14 day free-trial.
